September 2026 GCQG Presidents Message

Hello Friends,

I hope most of you will be back from vacation in time for our September meeting, where we will make items for our boutique. This is a good fundraiser for our guild and a way to raise community awareness of our crafts, plus an activity we can enjoy together.

A lot of time this month has been spent sewing on hanging sleeves, both for quilts I'm entering in our show and a good number of others I'm donating for display at my church. So August can just be called "hanging sleeve month" at my house!

I did manage to make another table runner for the boutique and will include a photo of that. Hope to see you soon! MaryStay cool and I hope to see you soon.
Mary

Meeting at Fellowship Hall at C.U.C.C.
(6:30pm visiting, meeting begins at 7pm)

Quilt Show Workshop for Boutique – please don't miss this opportunity to gather around and let your creativity soar. For the prior show we had several tables create a variety of items that didn't require a sewing machine or any special tools that were not already provided. Some of the items we made last time will be on tap as well as some new items – Denim Angels, Cone Christmas Trees, Pinecone Christmas ornaments (made with triangles), Denim stars made with jean seams, cards for special occasions. Hope to see you all there to support our show and the guild.

HELP NEEDED

You arrive for a guild meeting and the room is set up and ready to go. After the meeting you say your goodbyes and head home. It's not magical chairs that suddenly appear, Laurie and I show up early to set up chairs and the TV for Zoom and are the last ones to leave after everything has been put away.

We NEED HELP. If you are available (and able) to set up chairs at 6:00 p.m. we could use your help. The same with after the meeting. Thanks to those of you who have helped in the past to put away chairs and tables after the meetings. We would like to see others get involved with set up and breakdown to share the load. Give it some thought and join us at 6:00 or hang around after the meeting. We know some of you are not able to lift and carry so think about how you might help out at the meetings.

2026 Gate City Quilt Challenge

Songs of America

While we celebrate our nation's 250th anniversary, you are challenged to create a quilt centered around a song with "America" somewhere in the title or lyrics. There are so many songs to choose from, so look for lyrics that spark an idea for a quilt. Aim for making your song apparent to the viewers, but don't include the song title on the quilt unless it is part of your design element. Do include your song title on your label. To give you an idea of what to look for, here are some songs that could be considered:

America / America the Beautiful / American Pie / American Honey /
American Soldier / American Woman / Color Me America / Living in America /
Born in the USA / We're an American Band / There are so many more!

Rules:

- Width no greater than 25 inches (must be hung on this end)
- Length no greater than 44 inches
- 3 layers: top, batting and backing
- Quilted by hand or machine
- Any technique(s) and materials
- 3" hanging sleeve
- The challenge is open to Gate City Quilt Guild members only
- GCQG requests the right to display entries for up to two months following the show

Any questions? Ask Kathy Haver kathaver@yahoo.com or 419-601-0043

Rules and Categories

The quilts in this show are not juried.

1. The maker(s) of a cloth quilt is eligible to enter. If a group submits a quilt entry, one person (submitting entrant) must complete and sign the entry form on behalf of the group.
2. Entries for categories other than “Display Only” must have been completed after January 1, 2024, and not previously entered in a Gate City Quilt Show.
3. The entry fee is \$5.00 per quilt for current members of the Gate City Quilt Guild and \$10.00 for non-members.
4. All quilts must have a sleeve with an opening of four (4) or more inches sewn to the top back of the quilt. The sleeve must have $\frac{1}{4}$ - $\frac{1}{2}$ inch of ease between the outer edge of the sleeve and the quilt back. Exception: Sleeves on Miniatures must be at least 2 inches with $\frac{1}{4}$ - $\frac{1}{2}$ inches of ease. The hanging sleeve must be **Sewn**, not pinned to the quilt prior to submission of the quilt to the show. Quilts not in compliance with this rule will **NOT** be accepted.
5. Entry must have a label on the back with the quilt name, maker’s name and address (City and State). This label must have a temporary cover attached with safety pins or **preferably blue painter’s tape**.
6. Odd-shaped quilts and multiple panels must be mounted on black fabric containing a sleeve (see Rule 4). The top portion of these quilts must be sewn securely to the black fabric. The bottom portion should be loose so the judges can examine the back of the quilts. (Quilts with multiple panels hanging side-by-side horizontally may be mounted to a single black sleeve.)
7. Entries must have three (3) layers (top, middle, and backing). Entry must be quilted, not tied, with the following exceptions: crazy quilts, yo-yo quilts, and cathedral windows quilts. Quilting is defined as a running stitch that passes through all three layers.
8. Quilts that require special handling will not be accepted. The determination of whether your quilt meets the “special handling” criteria will be made by the GCQG Quilt Show Committee members upon delivery of your quilt. Example of quilts requiring special handling include, but are not limited to the following:
 - A quilt that cannot be stacked and/or folded with other quilts without potentially damaging your quilt or any other quilt in the show.
 - A three-dimensional quilt that has pieces that extend more than $\frac{1}{2}$ inch above the surface of the quilt may be disqualified due to the special handling rule, particularly if those extensions are sharp, jagged and/or very large.
 - A quilt containing rigid frames, rods, or mounting devices. No special lighting may accompany quilts. No rods may be sewn into the sleeves of quilts.

If you have a question whether your quilt would meet these special handling criteria, please **contact Debbie Feulner at 919-815-4356** or debbie.feulner@gmail.com

9. Your quilt must **NOT** have any strong odors, e.g. smoke, perfume, mothballs, etc. since it will be stacked with other quilts. Any strong odors (as determined by the GCQG Quilt Show Committee members upon delivery of your quilt) may result in immediate disqualification. Quilts also should be free of pet hair.
10. **Challenge quilts require neither an entry fee nor pictures. See the Challenge Quilt Information and Rules in the Guild newsletter.**
11. All entries must hang for the duration of the show. **No exceptions.**
12. Upon submission, the Quilt Show Committee reserves the right to disqualify entries **not** meeting quilt show rules, a determination made at the sole discretion of GCQG. Quilts

not in compliance with the rules will be returned to the entrant. The entrant may correct the issue and resubmit if time allows.

13. To prepare your quilt for delivery, fold it and place it in a **Pillowcase**. Use safety pins to attach the "Registrar's Copy of Receipt" to the exterior of your pillowcase.
14. Be prepared to pay your Registration Fee when you deliver your quilt to the Registrar. Your quilt is not officially entered unless the Registration Fee is paid.

2026 Gate City Quilt Show: Categories & Definitions

Ribbons will be awarded to 1st, 2nd, 3rd place winners and Honorable Mention in categories 1 through 22 below. Please note that a quilt may fit more than one of the following categories. The entrant should select the one category that best fits the quilt. Should a category have too few entries to fill that category, GCQG, in its sole discretion, reserves the right to move those entries to another category and eliminate the underutilized category. Should a category have too many entries, GCQG, in its sole discretion, reserves the right to split that category into two categories. Final placement of an entry in a category will be at the discretion of the appropriate GCQG Show Committee and/or judges.

Husqvarna / Viking Huskylock 905 Serger **Sold**

Overview - Husqvarna Viking 905 Huskylock Serger Sewing Machine with Foot Controller and Power Cord the Huskylock 905 is a 4/3/2 thread design serger capable of a multitude of stitches:

Singer Cabinet - Looking for some love and a good home

Barbara King (336-656-7400) an avid quilter reached out to us recently - I inherited my grandmother's Singer treadle machine about 60 years ago. She was in her 80s when she died and had been a seamstress all her life so I'm sure it has attained antique status. Unfortunately, I gave up the machine itself long ago before I understood its value but to this day the cabinet sits in the second-floor hall of my two-story house and is currently looking for a new home.

It is structurally sound and has all its drawers intact. The oak wood is begging for the care and attention that I haven't given it in decades. I think it could be brought back to life with effort.

So, I'm looking for someone who will honor its legacy and be willing to drive to my home in Browns Summit with two strong-bodied souls in tow who will carefully carry it down the stairs, out the front door and take it to its new home. (*Base is cast iron for reference*)

My Grandma Toots and me way back when.

If interested please reach out to - Barbara King (Quiltville member)
